

# PROMOTIONAL OPPORTUNITIES

Great researchers see patterns and relationships, whereas others see disassociated data. As science is about making novel connections, so is the exhibition section at the ECCPM FORUM. We offer limited promotional areas for companies to advertise their latest solutions and build relationships with forward-thinking minds in academia and industry. Below you can find an overview on the packages and sponsorship opportunities we offer.

## EXHIBITION PACKAGE 1

- > 6 m<sup>2</sup> (2m x 3m) fitted space for Day 2 of ECCPM 2023
- > One delegate registration with full access to all sessions
- > 20% discount for all additional conference registrations
- > Recognition on the Congress Website (including link to your website)
- > Company listing with logo in all publications, starting from the date of booking

PRICE:

€2,500
